APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use of a portion of the waters of Anderson Spring as heretofore granted under Permit 2990, Certificate 2874 is issued subject to the terms and conditions imposed in said Permit 2990, Certificate 2874 and with the understanding that no other rights on the source will be affected by the change proposed herein. A measuring device must be installed and measurements of water use kept

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.003 cubic feet per second, but not to exceed 2.02 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before:

March 6, 2007

Proof of completion of work shall be filed on or before:

April 6, 2007

Water must be placed to beneficial use on or before:

March 6, 2008

Proof of the application of water to beneficial use shall be filed on or before:

April 6, 2008

Map in support of proof of beneficial use shall be filed on or before:
